Straight Stairlifts

Solutions for all staircases

For staircases with no bends or curves, we have a selection of straight stairlift options to rent or buy. Available with twin remote controls to call and send, as well as easy to use onboard controls, your journey is smooth and simple. We carry a broad range of both New and Reconditioned straight stairlifts that can often be installed next day.

Whether for rental or purchase, we will complete the installation in as little as two to three hours and all lifts are warranted for parts and labour for up to five years*.

Five year warranties are extended warranties which incur an additional charge in addition to any base stairlift price – reconditioned stairlifts are supplied with a twelve month warranty as standard and all new stairlifts are supplied with a 24 month warranty as standard.

Advantages

Straight stairlifts

1. Available as new, reconditioned, and rental models.
2. In stock for fast installation by our local qualified engineers.
3. Installed on your straight staircase where the installation is fast (around 2-3 hours), clean and hassle free.
4. Comprehensive 2-year warranty for a new stair lift, 1 year for a reconditioned stair lift, with the option to extend. A rental stair lift has unlimited warranty with no fixed or minimum rental period.
5. Full aftercare service with dedicated engineers on call 365 days a year with all required stairlift parts already on their vans.
6. Straight stair lift purchase prices are only a simple phone call away – a few simple questions will allow us to give an accurate price over the phone (subject to a subsequent site survey).

If you are looking for a way to use your stairs safely and you have a straight staircase, then our range of straight stairlifts is the cost-effective option to help you or a loved one use the stairs with ease.

Curved Stairlifts

Elegant and adaptable

For staircases where there are bends or curves, we have a selection of single-railed curved stairlift options from a range of manufacturers. We offer New & Reconditioned purchase and we even have a range of Rental Stairlift options for curved staircases.

Whether for rental or purchase, we will complete the installation in as little as four hours and all lifts are warranted for parts and labour for up to five years*.
